

Faculty Position

Coordinator of Latino Mental Health Initiative The Chicago School of Professional Psychology Department of MA Clinical Psychology

The MA Clinical Psychology department offers a terminal degree that provides innovative education and training for students wishing to become Licensed Clinical Professional Counselors. The department seeks a **faculty member/coordinator** who will manage the Chicago School's Latino Mental Health Initiative. The Coordinator is responsible for administrative aspects of planning, development and committee leadership activities related to the Initiative, especially its certificate program in "Assessment and Treatment in Latino Mental Health." This position also actively organizes and participates in the curriculum development, board development and student recruitment along with the department chair and other internal school staff.

Our program is committed to the integration of diversity and multicultural education throughout its curriculum and the successful candidate will demonstrate an appreciation as well as expertise or background in **Latino/a Psychology**. This individual will devote a portion of their time to faculty responsibilities, such as teaching graduate level courses in the department/certificate program. The candidate will have experience and demonstrate promise in graduate level teaching and clinical practice, with a strong commitment in the preparation of culturally competent professionals in the field.

Applications will be reviewed beginning March 1, 2007 and will be accepted until the position is filled. Applicants must submit a CV, three letters of recommendation and a letter of interest.

All application materials should be sent to:
